SCHOOL OF INDIA SALUTES THE SCIENTISTS OF INDIAN SPACE RESEARCH ORGANISATION FOR MAKING INDIA A PROUD NATION WORLDWIDE.

*Let The Joy Of Festivity Embrace You & Your Loved Ones On The Occasion Of Dussehra This Year! Very Very Happy Dussehra To You & Your Family!*

*At home, it is important to provide routines. Families should build a daily "quiet time" when the television is turned off. This quiet time provides students the opportunity for completing schoolwork or for recreational reading if there is no homework. During this quiet time a suitable place, somewhat free of other distractions, should be available. The routine of a daily quiet time provides an opportunity to develop self-discipline, stimulate imagination, and enhance reading skills.*

*The children of SOI will be donating relief to the brothers and sisters at Jammu and Kashmir who have been affected by the floods.*

*Kindly visit the **SCHOOL OF INDIA** page on FACEBOOK.*

*Regards*
